

2023 Residential Rebate Program

About the Program

Your electric cooperative is offering a 2023 residential rebate for qualifying equipment (water heaters, geothermal heat pumps and air source, ductless mini-split or dual fuel heat pumps). To qualify, you must occupy the home where the equipment is installed year-round (12 months) and unit must heat and cool the whole home, unless otherwise stated.

Please provide the following documents to your electric cooperative to apply for possible rebates*:

- AHRI (Air conditioning, Heating and Refrigeration Institute) certificate for validation of all SEER ratings. (This can be obtained from the installing heating and cooling contractor.)
- 2023 Residential Rebate Application
- Proof of purchase (invoice or receipt)

Must apply by December 15, 2023

PO Box 208
Orleans, IN 47452
812-865-2229 ext 2064

* Your electric cooperative reserves the right to approve, deny or select the appropriate incentive. Prior approval is required for electric resistance incentives.

Must complete and include the Residential Rebate Application with the HVAC Rebate Application.

Submission of application expressly indicates member understanding and agreement to the following conditions:

Limit of two rebates per household. Rebates for HVAC equipment are available for whole home installations only unless otherwise stated. To receive a rebate, all homeowners must provide AHRI (Air conditioning, Heating and Refrigeration Institute) validation for all SEER and EER ratings that can be obtained from the installing heating and cooling dealer. No rebate will be awarded based on HVAC dealer bid specifications, promotional material of dealer, manufacturer or any other source than AHRI. A certificate of AHRI-certified performance must be submitted.

All homeowners must complete a rebate application form and provide proof of purchase to receive any 2023 rebate. **Deadline to apply for 2023 Rebate Program is Dec. 15, 2023.**

The cooperative reserves the right to approve, deny or select the appropriate rebate. The co-op also reserves the right to inspect and verify installation of equipment receiving a rebate.
